Classroom Behavior Expectations

Because this class needs to be a participatory community if students are to fulfill their potential for learning, people who disrupt the class by their words or actions disrupt that community. Rude, sarcastic, obscene, or disrespectful speech (written or verbal) and/or disruptive behavior have a negative impact on everyone's learning. This also includes disruptive electronics usage in class. When a person disrupts the class in these ways, the course instructor will remove the disruptive person from the class and/or will be given one warning after the disruptive behavior. If the student continues to disrupt our class, s/he will be dropped from the course.

Academic Honesty

It is my expectation and the institution's that appropriate citation and documentation be given for materials and information obtained from other sources. Cases of plagiarism will be treated as will any case of academic dishonesty, with at least a failing grade for the assignment/examination. In addition, the student may be dropped from the course with a failing grade. See the SPC Student Handbook for more information.

Diversity Statement

In this class, the teacher will establish and support an environment that values and nurtures individual and group differences and encourages engagement and interaction. Understanding and respecting multiple experiences and perspectives will serve to challenge and stimulate all of us to learn about others, about the larger world and about ourselves. By promoting diversity and intellectual exchange, we will not only mirror society as it is, but also model society as it should and can be.

Disabilities Statement

Students with disabilities, including but not limited to physical, psychiatric, or learning disabilities, who wish to request accommodations in this class should notify the Disability Services Office early in the semester so that the appropriate arrangements may be made. In accordance with federal law, a student requesting accommodations must provide acceptable documentation of his/her disability to the Disability Services Office. Attendance and Tardy Policy

Students are expected to attend all classes in order to be successful in a course. All students enrolled for this course are expected to attend class regularly, be on time, and remain until dismissed. Roll will be taken at each class meeting. If a student is tardy, he/she must see the instructor after class to have the absence mark removed. The student may be administratively withdrawn from the course when absences become excessive as defined in the course syllabus.

When an unavoidable reason for class absence arises, such as illness, an official trip authorized by the college or an official activity, the instructor may permit the student to make up work missed. It is the student's responsibility to complete work missed within a reasonable period of time as determined by the instructor. Students are officially enrolled in all courses for which they pay tuition and fees at the time of registration. Should a student, for any reason, delay in reporting to a class after official enrollment, absences will be attributed to the student from the first class meeting.

Students who enroll in a course but have "Never Attended" by the official census date, as reported by the faculty member, will be administratively dropped by the Office of Admissions and Records. A student who does not meet the attendance requirements of a class as stated in the course syllabus and does not officially withdraw from that course by the official census date of the semester, may be administratively withdrawn from that course and receive a grade of "X" or "F" as determined by the instructor. Instructors are responsible for clearly stating their administrative drop policy in the course syllabus, and it is the student's responsibility to be aware of that policy.

It is the student's responsibility to verify administrative drops for excessive absences through MySPC using his or her student online account. If it is determined that a student is awarded financial aid for a class or classes in which the student never attended or participated, the financial aid award will be adjusted in accordance with the classes in which the student did attend/participate and the student will owe any balance resulting from the adjustment.

The department abides by this policy and enforces the following guidelines established for SPCH 1321:

<u>For online sections, you MUST attend face-to-face meetings and complete online coursework. If you have</u> more than 1 unexcused absence, miss 2 continuous weeks of online course completion, or fail to turn in more than 2 major assignments within a week of the due date, you may be dropped from the course.

Make-Up Policy

Make-up work is NOT guaranteed. When an unavoidable reason for class absence arises, such as illness, an official trip authorized by the college or an official activity, the instructor **may** permit the student to make up work missed. If a student must be absent to represent the college, she/he should advise the instructor beforehand and should have a signed permit from his/her coach or sponsor. In such cases, it is the student's responsibility to complete work missed within a reasonable amount of time as determined by the instructor. Each student must make an appointment with the instructor to make arrangements for make-up work. **Late work may not receive full credit**. An absence on the day that you are scheduled for oral presentations or examinations will result in a grade of zero for the assignment. **If, according to the instructor's discretion, the student is allowed to make up such a presentation or exam, the student will automatically receive a grade drop for the assignment (25 point grade reduction).**

The two individual speech assignments are explained in the Assignments section of Blackboard. Additional information can be found within the weekly sections for the correct chapters.
- 3. Participation-You will be asked to engage in discussions and to do outlines and peer and self-evaluations for presentations. These assignments count as participation grades.

Important Notes

- 1. You MUST attend our face-to-face class times. If you must miss a class face-to-face meeting, you must inform me in advance. If you miss a face-to-face meeting more than once, you will be dropped from the course.
- Do NOT wait until an hour before the first quiz deadline to find out if Blackboard works correctly for you. Get on Blackboard and try navigating around to make sure that items display correctly. Call 716-2180 for Blackboard help. If you wait until the last minute and have a technical difficulty, I will not change the deadline for you.
- 3. If you do not hand in an assignment by the due date, 10 percentage points will be deducted for <u>each day</u> (including weekends) it is late. So, it is best to email me the assignment as soon as it is complete.
- 4. Students, check your SPC email often, or forward it to the email address you check regularly.
- 5. Students have ONE WEEK after a grade or absence is posted to discuss the grade with me. After such date, the grade will not be changed.
- 6. Laptops may not be used to take notes in class due to social network abusers.
- 7. You must silence or turn off cell phones for class. No texting during class.
- 8. No tobacco products are allowed in the classroom.
- 9. Students may only make up presentations for full points in the event of sickness or the death of a family member and in both cases must provide proof. In the case of sickness, a doctor's note is required to make up a speech. In the event of a funeral, the funeral program or obituary is required. If you miss doing your presentation for any other reason, 25 points will be deducted.
- 10. April 25 is the last day for a student to drop a course.
- 11. <u>If you miss the equivalent of two weeks in this course, you will be dropped from the course</u>. Attendance is monitored through completion of all assignments, including quizzes, activities, and tests. Just logging into Blackboard does not keep you compliant. You **must** complete assignments.
- 12. Your instructor <u>may</u> administratively drop you with a "X" after two weeks of online non-completion. If you are not eligible for the "X," then you will be given an "F" for the course. No grade reversals will be given once dropped.
- 13. If you have something happen during the semester which makes you miss class for more than a week, please let me know a little about your situation as soon as possible. Don't wait! Sending an email to let me know what is going on is much better than just waiting and showing up after being gone from class for a week.
- 14. Words of warning: Missing a major assignment cover letter and resume, speech, exam, etc will result in lowering your course grade one letter grade. If you miss two major assignments (worth 10% each), you will probably be dropped from this course.
