# **LCU Foreign Language Requirement**

Students are required to complete 8 hours of foreign language. SPAN1411 and SPAN1412 are recommended.

# **LCU Bible Courses Requirement**

Transfer students must take Bible courses at the university equal to 10% of the courses taken at the university but no fewer than 6 hours.

# **Applicable Transfer Credit Hours**

Evaluation of course credit earned at other institutions by the LCU Transfer Evaluation Office does not decree approval of the credit for use toward degree requirements. Only the academic dean of the college offering the program in which a student is enrolled has authority for determining which courses will be applied toward any specific program. LCU accepts and gives credit for all courses to be transferred from South Plains College, providing the grade received is a C or higher. We cannot however, grant credit for technical or intermediate/remedial classes.

# Using this Transfer Advising Guide with Lubbock Christian University

This Transfer Advising Guide represents LCU's degree plan and is subject to change at the university's discretion. It is intended for advising purposes only so students know exactly which courses they can take at South Plains College and have the courses count towards degree requirements when they transfer to LCU. It is highly recommended that students meet with their assigned academic advisor to review all graduation and transfer requirements listed in the Transfer Advising Guide.

The ultimate goal is to provide students with accurate information for transfer pathways while minimizing loss of credits in transfer. Students are encouraged to review LCU's requirements frequently.

The Transfer Advising Guide is based upon LCU's Catalog and is subject to change.

#### SOUTH PLAINS COLLEGE GRADUATE SCHOLARSHIP

LCU is closing the gap in tuition costs with competing universities, making a private, Christian education affordable for you. As a graduate of South Plains College and a newly enrolled LCU student, you could qualify up to \$15,300 per year in grants and scholarships.

Your SPC associate degree qualifies you for an automatic **\$6,000** scholarship each year. The associate's degree must be earned upon separation from SPC. To be eligible for the award, students must be enrolled full-time and must sign a scholarship agreement form. Students must maintain a cumulative GPA of 2.50. The scholarship may be combined with other institutionally funded scholarships, except for athletic awards.

Academic scholarships range from \$5,000 - \$7,000 for a college GPA of 3.0 or higher. LCU offers need-based grants (eligibility determined through FAFSA) of \$3,000 per year with a GPA of 2.5 and \$4,000 per year with a GPA of 2.7. You may also qualify for the need-based Texas Tuition Equalization Grant. This is an estimated \$3,364 per year grant awarded to Texas residents attending private colleges. Application is automatic and eligibility is determined through FAFSA.
