### SHSU Steps to Apply for Admission

#### Step 1: Complete the Online Application for SHSU

Complete an [online application](#) and pay the \$50 non-refundable application fee.

Alternatively, you may pay later by mailing a check (address below) or pay through the [SHSU Self Service Center](#).

Qualifying students may submit an application fee waiver request to SHSU Office of Admissions via email

at [admissions@shsu.edu](mailto:admissions@shsu.edu). Applicants must include the required supporting documents to request a fee waiver:

- a copy of the first page of your Student Aid Report (FAFSA).

#### Step 2: Submit Your Transcripts

SHSU requires transcripts from all institutions where you have enrolled in a course or courses, even if you did not attend or the course was not completed. Contact the school(s) to send official transcript(s) to SHSU.\*

- Mail an official transcript to:  
Sam Houston State University  
Undergraduate Admissions Office  
Box 2418  
Huntsville TX 77341-2418
- Or ask your school to send an electronic official transcript to Sam Houston State University (code: 003606).
- If transcripts are from a school outside of the U.S., the document must be translated and evaluated by a [NACES](#) accredited service or [SDR Educational Consultants](#). International college transcript evaluations must include a course by course evaluation.
- Please note that SHSU does not accept fax or emailed transcripts.

\*Transcripts and other supporting documents will be retained by the university for 6 months.

### Applicable Transfer Credit Hours

All courses and grades transferred from other institutions accredited by an agency recognized by the Texas Higher Education Coordinating Board are recorded as received on the student's academic record at SHSU; however, not all transfer course work will satisfy degree requirements. Evaluation of course credit earned at other institutions by SHSU's Admission's Office does not decree approval of the credit for use towards degree requirements. Only the academic department chair offering the program in which a student is enrolled has authority for determining which courses will be applied toward any specific program. Applicants must submit official records from all accredited institutions attended. Official transcripts must be sent directly to the Office of Admissions. While all credit hours presented on the sending institution's transcripts will be evaluated and equivalent college level courses posted to the student's academic record, Sam Houston State University accepts a **maximum of 66 semester credit hours plus 4 hours of activity-based physical education (kinesiology) for a total of 70 semester credit hours from the accredited community colleges attended.**

### **Admission to SHSU as a Transfer Student**

A transfer student is defined as an undergraduate student who has completed a minimum of 12 hours of transferable academic coursework from a college and/or university accredited by an agency recognized by the Texas Higher Education Coordinating Board after high school graduation. Transferable academic coursework is defined as those attempted hours of coursework which are applicable to a baccalaureate degree program.

### **Additional SHSU Advising Notes**

- Make an appointment with an academic advisor of the major, once accepted to SHSU, in order to clarify department, university policies and procedures, to review course sequencing, and to help with identifying resources for academic success. This link provides instructions on how to schedule an appointment: <https://www.shsu.edu/centers/sam-center/schedule-appointment>.
- Refer to the official source of information on specific courses within the SHSU requirements of this degree plan from the SHSU Undergraduate Catalog or visit the web site at <https://catalog.shsu.edu/undergraduate/>

### **Using this Transfer Advising Guide with SHSU**

This Transfer Advising Guide represents SHSU's degree plan and is subject to change at the university's discretion. It is intended for advising purposes only so students know exactly which courses they can take at South Plains College and have the courses count towards degree requirements when they transfer to SHSU. It is highly recommended that students meet with their assigned academic advisor to review all graduation and transfer requirements listed in the Transfer Advising Guide.

The ultimate goal is to provide students with accurate information for transfer pathways while minimizing loss of credits in transfer. Students are encouraged to review SHSU requirements frequently.

The Transfer Advising Guide is based upon [Sam Houston State University Catalog](#) and is subject to change.

### **Scholarships for Transfer Students**
